Address: **Plot No. 81, Sector 05, IMT Manesar, Gurgaon, 122051, Gurgaon, Gurgaon**

Price: **250,000.00 ?**

Hydraulic Baler: A Baling Press Machine, also known as a baler, is a piece of equipment designed to compress and bind materials into compact and manageable bales. This machinery is commonly used in various industries to process waste materials, recyclables, and other items into more convenient and efficient forms for storage, transportation, and recycling. Baling press machines contribute to waste management and recycling efforts by reducing the volume of materials and facilitating their handling.
