Work Spaces Near me | Desqworx:

Top coworking space in Gurgaon especially for startups and entrepreneurs. DesqWorx provides shared meeting rooms, shared office space and virtual office space to the new businesses. DesqWorx is more than an office space, it's a community to grow with. Our coworking spaces are the perfect place to get to work on your big idea or collaborate with like-minded people. Whether you're a startup or an independent professional, you can rent private cabins, open desks and meeting rooms, suited for a single person to a large team that can be booked for a day or long term on a pay-per-need basis.
