Address: Avinissery Price: 60,000.00?

Grow Your Food Delivery Business with Noshway: Looking to launch your own food delivery service? Noshway provides a fully customizable white label solution to seamlessly manage orders, riders, and logistics - just like Swiggy.

With Noshway's robust Swiggy clone script, restaurants and entrepreneurs can quickly set up a branded app and website to receive and process delivery orders. Integrate with POS, chat, payments and maps for a complete food ordering experience.

Key Features:

Apps for iOS, Android, Web Restaurant and rider dashboards Order tracking and notifications Integrated payments and promotions Analytics and reports Customer support tools

Trusted by leading food delivery brands across the globe, Noshway has the expertise
