Best Coprate tax services in dubai: Private Limited Company is the most prevalent and popular type of corporate legal entity in India. Registering a company offers many benefits. GetmyCA offers Company Registration in which registered company makes your business genuine and increases the authenticity of your business. Company Registration is a popular option to start a business by startups and businesses with higher growth aspirations. Private limited company registration is governed by the Ministry of Corporate Affairs, Companies Act, 2013 and the Companies Incorporation Rules, 2014. One of the primary steps in Company Registration is to ensure that the company name has not already been taken by another legal entity. We can run a company name search to check the availability of the particular name in India against the MCA and trademark database.
