Tube Expander: Shingare Industries Make Tube Expanders are manufactured for different sizes of Tubes. We produce different types of Boiler Tube Expanders & Condenser Tube Expanders. The tube expanders are usually helpful in limited or congested Space / Areas where the Tube are Installed, & its Power-driven expanders is helpful for short bends, U-turns type Tubes. To reduce the damage of the tubes due to vibration at time of Cleaning process Tube Expanders are mostly preferred. We also manufacture & supply Tube Expanders for Condenser, Jacket Tube Expander, and Electric Tube Expander Tool for Tube Expander, Boiler tube expander can be operated by using electric, hydraulic or pneumatic expansion machines. We manufacture tube expander for tube size: 1.1/2" (38.5) to 8" (203.2mm) etc..

Shingare Industries is the leading Manufacturer and Exporter of various engineering goods such as Tube Cleaners, Flexible Shafts, Tube Expanders, Tube Tools And Tube Expansion Systems. We have two manufacturing units located in Thane near to Mumbai. We supply Tube Cleaners, Brushes, High Pressure Water Jet Machines, Torque Multiplier, Torque Wrenches, Hydraulic Machines etc in bulk at marketable prices. Tube Cleaners, Flexible Shafts, Tube Expanders, Tube Tools And Tube Expansion Systems. We have two manufacturing units located in Thane near to Mumbai.
