Types of Industrial or Commercial Real Estate Spaces: Retail and commercial spaces include shopping or strip centres, community, power centres, regional malls, etc. Strip centres are smaller retail properties that are a mix of restaurants, laundry, salons, etc. An anchor tenant is a comparatively larger retail tenant drawing the customers' attention to properties. The community retail centre covers a space of approx. 150,000 to 350,000 square feet. You can have Commercial Real Estate or take them on rent considering the accessibility and amenities.
