Address: **Jabalpur, Jabalpur, Jabalpur**

Price: **460.00 ?**

SPS PCb (36& 96V): This PCB generate required supply voltage to run the brain of UPS and Cooling fan. The output voltage is rock solid regulated to get the uniform performance during all the different power and environmental condition.

This PCBs available for input DC Voltage of 36, 72 and 96. This modular PCB is ready to use in modular form.
