mogra attar: Mogra attar, a delicate and enchanting fragrance offered by Girivar Fragrances, elegantly encapsulates the essence of jasmine blossoms at dusk, weaving an olfactory narrative that transports the senses to serene moonlit gardens. This exquisite scent opens with top notes of fresh jasmine petals delicately kissed by twilight's embrace, their sweet yet subtle aroma reminiscent of quiet evenings filled with gentle breezes. As the heart reveals its complexities, hints of warm sandalwood intermingle with soft whispers of green foliage, enhancing the velvety richness that defines Mogra attar. The base notes linger like an echo in a tranquil night; light musky undertones intertwine seamlessly with fleeting traces of dew-kissed earthiness. Each application invites individuals into a peaceful reverie where the beauty of nature unfurls gracefully under the silver glow of stars—a sensory escape crafted meticulously for those who appreciate true artistry in perfumery.
