MBBS Cost in Kyrgyzstan For Indian Students: The MBBS cost in Kyrgyzstan for Indian students is highly affordable compared to private medical colleges in India. The total tuition fees typically range between ?15-?30 lakh for the entire course, depending on the university. Living expenses, including accommodation and food, are also budget-friendly, averaging ?10,000-?15,000 per month. Kyrgyzstan's medical universities offer NMC and WHO-approved programs with quality education. With low tuition, a simple admission process, and no donation fees, Kyrgyzstan is a popular destination for Indian medical aspirants.
