Automated WhatsApp Message for Business: With Sinch India's automated WhatsApp message feature, businesses can set up personalized, pre-scheduled messages for customers. This feature helps send out appointment reminders, delivery notifications, promotions, or important updates automatically, reducing manual effort. Automated WhatsApp messages ensure timely and consistent communication, which is essential for improving customer satisfaction. Customers receive relevant information without delays, and businesses can focus on other tasks. This feature can also handle recurring tasks like monthly reminders or event promotions, streamlining communication and enhancing business efficiency.
