Rent an Online Restaurant for Just \$0.60/Hour – Gustosfera: Rent a fully branded, ready-to-go digital setup for your restaurant—without the hassle or high costs of building an app from scratch. For just \$0.60 per hour, you get your very own restaurant app, a sleek online ordering website, and a powerful dashboard for managing deliveries and orders—all customized with your unique brand!

Enjoy zero commissions and no middlemen, keeping 100% of your hard-earned profits. Manage everything effortlessly from one simple platform, giving you the freedom to grow your business your way.

With our prepaid wallet system, you're in total control—top up only what you need, with no hidden fees or recurring charges. Switch seamlessly between Business Mode (live orders), Display Mode (50% less cost), and Offline Mode (completely free) whenever it suits you.

Whether you're a new entrepreneur, chef, or restaurant owner—or ready to expand—Gustosfera makes launching, managing, and scaling your online restaurant business a breeze. No coding. No delays. Just plug in and start thriving!
