Heat Transfer Labels for Industrial Containers: Winners Labels LLP is an Indo-Korean joint venture organization that has become the most trusted corporate partner for numerous product manufacturers across the country.

Upgrade your branding and compliance with our high-performance Heat Transfer Labels, engineered specifically for industrial containers. Designed to withstand harsh environments, these labels offer a seamless, no-peel finish that bonds directly to plastic, metal, and composite surfaces—resisting abrasion, UV rays, and extreme temperatures.

Ultra-Durable – Perfect for long-term outdoor or industrial use,

Permanent Bond – No peeling, cracking, or fading,

Customizable Designs – Logos, instructions, barcodes, and safety info,

Eco-Friendly & Solvent-Free Application,

Our heat transfer labels deliver a clean, professional look that lasts as long as your product does.
