Best Pathology Laboratory in Santhoshnagar, Hyderabad: nkith Hospitals in Champapet, Hyderabad, offers advanced Laboratory and Pathology services to support accurate diagnosis and effective treatment. Our fully equipped lab provides a wide range of diagnostic tests, including blood tests, urine tests, thyroid panels, diabetes screening, lipid profiles, liver and kidney function tests, and infectious disease screening.

We ensure precision, reliability, and quick turnaround time with the help of automated equipment and a team of experienced pathologists and lab technicians. Our pathology lab plays a crucial role in monitoring chronic conditions, detecting early signs of illness, and evaluating treatment outcomes.

Patients can avail of these services as part of routine checkups or during in-patient care. Ankith Hospitals also supports Arogyasree scheme beneficiaries with accessible and affordable diagnostics.
