Looking for the most affordable MBBS College in West Bengal? This video provides details about Krishnanagar Institute of Medical Science, highlighting its low MBBS fees and facilities. If you are seeking budget-friendly medical education in West Bengal, this video is for you!

Krishnanagar Institute of Medical Science (KIMS) is a new private medical college located in West Bengal, dedicated to providing medical education and healthcare services. Here's what we know about it:

Establishment & Affiliation: The institute was established in 2023 and is affiliated with the West Bengal University of Health Sciences (WBUHS). It has received approval from the National Medical Commission (NMC).

**MBBS Program:** KIMS primarily offers an undergraduate medical curriculum, the Bachelor of Medicine and Bachelor of Surgery (MBBS) degree. The MBBS program is 4.5 years long, followed by a 1-year internship.

Infrastructure: KIMS is built on a large campus of over 39 acres and aims to provide a state-of-the-art infrastructure. This includes modern lecture halls, practical labs, a library, hostels with facilities like internet access, recreation, and mess services, and a computer lab.
