2025 Mahindra Zeo Launched: Efficient, Eco-Friendly & Made For Business: Mahindra has once again lifted the standard in the commercial EV category with the introduction of the 2025 Mahindra ZEO, a smart, sustainable, and highly efficient electric cargo truck. Designed expressly to address the needs of modern Indian enterprises, the ZEO delivers on performance, economics, and environmental friendliness, making it an excellent solution for fleet operators, logistics organizations, and small company owners wishing to go electric.
