WhatsApp for business communication: WhatsApp chatbots allow businesses to automate the most common customer queries and hand them over to a human agent when needed. Customers can choose between multiple types of inquiries to ensure a qualified agent is assigned to them every time. Don't wait for customers to learn about your awesome brand. Initiate conversations with WhatsApp for business communication and make it easy for them to reach out to you. Gain trust with a verified account. Let your customers know that it is safe to interact with you and it isn't a fraudster.
