Price: **Check with seller**

InSitu Crankshaft Grinding and polishing Services of Daihatsu Engine: RA Power Solutions, with 45 years of experience, extends InSitu Crankshaft Grinding and Polishing Services of Daihatsu Engine and heavy industries all over the world. A client with a Panama-registered container vessel reported engine problems to the Daihatsu 6DK-20. Our technicians arrived on the ship in Kolkata Port to figure out what was wrong. On visual inspection, the crankpin number #05 was found to be damaged, and on dimensional analysis, an ovality of 0.46 mm was discovered. Once all parameters were found to be within acceptable ranges, grinding could begin.
