Double9 Books at Frankfurt Book Fair 2025: Double9 Books, a growing Indian trade publishing house, is set to participate for the first time in the Frankfurt Book Fair 2025, taking place from October 15–19 at Messe Frankfurt, Germany. As the world's leading publishing event, the fair connects authors, publishers, distributors, and readers on an international platform.

With a mission to make literature accessible, affordable, and high-quality, Double9 Books is committed to serving both established authors and emerging writers. Their catalogue spans a wide range of works, and through a Print-on-Demand (POD) model, they ensure books are never out of stock and remain available worldwide.

At Frankfurt, Double9 Books aims to offer:

For Publishers – opportunities for translations, co-editions, and affordable editions of modern and classic titles.

For Distributors & Booksellers – an extensive, cost-effective catalogue for libraries, bookstores, and online platforms.
