Multi Restaurant Aggregator App: Delivery Bee is a robust multi-restaurant aggregator app designed to connect users with a wide variety of restaurants and food vendors through a single, easy-to-use platform. Built for startups, food delivery businesses, and entrepreneurs, Delivery Bee enables seamless browsing, ordering, and delivery from multiple restaurants in one place—offering customers more choices and restaurants greater visibility.

The app features a clean and intuitive user interface where customers can explore menus by cuisine, rating, or location, place real-time orders, and track deliveries from kitchen to doorstep. With secure payment gateways, live order tracking, reviews, and promotions, Delivery Bee delivers a complete and engaging food ordering experience.
