Exquisite Blue Copper Turquoise Stone Jewelry by Akрати Jewelry Inc.: Akрати Jewels Inc. presents to you the dazzling beauty of the blue copper turquoise stone whose color features a beautiful mix of deep blue color and metallic copper interception. Its natural beauty is displayed in every piece of our collection and thus will be an excellent addition to any jewelry collection. Our blue copper turquoise jewelry is designed and made in a precise way with a timeless design and contemporary style that you can make a statement using a fine design. To the authenticity-loving individuals, our real blue copper turquoise items guarantee the best quality and these were sourced out of the trusted suppliers and examined keenly in terms of purity and vibrancy of color. The blue copper turquoise meaning is another deeper meaning; it was believed to provide protection, positive energy and emotional balance thus these stones are not only desired because of their beauty but also because of their power.
